★ **ALL SKILLS LISTED BY LEVEL ARE REQUIRED BY THE ATHLETE**

- ★ Why this change for 2023-2024?
 - To create stronger teams from the start of the season
 - Allows athletes to enjoy the skills they must compete in the routine rather than stress out about skills
 - Allows you as a parent to have complete confidence that your athlete will be on a level appropriate and competitive team

- ★ World Cup All Stars reserves the right to add up to 15% of the teams total athletes who do not meet all of the minimum requirements. This allows for athletes to fill necessary stunting positions.

Required Skills for Team Selections
